(including Sporting Events, Concerts, Rodeos, Convention Centers, Theatres, Museums, Zoos, Aquariums, Aviaries, Botanical Gardens, Libraries, Indoor Arenas) | Utah's Low Risk Phase Guidelines

Moving to yellow

A color-coded health guidance system has been developed by the State of Utah to guide health behaviors for individuals and businesses. Each level of the dial is guided by a rigorous measurement system which can be different by each region, county, city, or community.

In-person operation of this industry is allowable under increased cleaning regimen and operational protocols in place to ensure safe distancing restrictions are met

- Follow all employer guidelines (see below)
- A 6-foot distance must be maintained between each household group at all times while seated
- For reserved-seating facilities, facility capacity is dependent on ability to block reserved seats (demonstrated on digital seat map) to ensure safe radius
- Set an established window time for high-risk groups to come in without pressure from crowds and/or separate entrances and queues
- Limit the number of people in a confined area to enable adequate distancing at all times
- Maintain signage to remind and help individuals stand at least 6 feet apart when in common areas or while visiting exhibits (e.g. museums, zoos, aquariums, aviaries, botanical gardens)
- Distribution of promotional items, candy, food items, etc. during parades or spectator sporting events must be distributed in a manner that does not promote congregating
- Congregating at any point is not allowed
- Encourage contactless payment; disinfect between transactions at facility stores/gift shops and comply with other retail recommendations
- Participants (e.g., players, performers, actors) in events should have their symptoms checked
- Electronic tickets and playbills encouraged in place of paper

Concessions

- Serving and seating protocols consistent with restaurant guidance
- Maintain 6-foot distancing for all lines
- Encourage contactless payment

- To the extent reasonable, serve grab-and-go food items
- Any concessions/restaurant seating is compliant with restaurant dine-in recommendations

General Employer Guidelines

Employers encourage flexible working arrangements (rotating shifts, remote work, etc.). Comply with distancing guidelines. Increased cleaning regimen of high-touch areas. Monitor employees for symptoms and well-being.

- All businesses open
- Employers take reasonable precautions
- Provide accommodations to high-risk employees; minimize face-to-face contact, assign tasks that allow these individuals to maintain a 6-foot distance from other employees or customers, implement flexible work hours or staggered shifts, allow high-risk individuals to work remotely
- Symptom* checking in business interactions
- Face coverings worn in settings where other social distancing measures are difficult to maintain; ensure that face coverings are available
- Encourage remote work when possible; employers exercise discretion with returning to onsite work
- Workplaces comply with distancing and hygiene guidelines
- Limit unnecessary travel
- Require employees to self-quarantine when returning from high-risk** areas
- Employers evaluate workforce strategy and concerns and enact strategies to minimize economic impact
- Employers must not allow any individuals under isolation or quarantine to come to work at any time unless authorized by LHD

* Symptoms include fever of 100.4 degrees Fahrenheit or above, cough, trouble breathing, sore throat, sudden change in taste or smell, muscle aches or pains
